LOCAL NEWS

A very warm welcome is given to Mr and Mrs Neil Wilson, who have moved into 'Upper Wrigglebrook Croft', a few months ago and we trust they will be happy in their new home and in this community.

Sadly, we say goodbye to Kath and Derek Nash of King's Thorn who have moved to Shropshire. They have both been active in the community, Kath with the 'Quilting group' and both with the 'Thursday' walkers. They were also supportive members of the Evergreen Club. Both have also been very good neighbours and will be greatly missed.

Some years ago, Sally and Colin Dymott purchased and planted 2 'Glastonbury Thorn' trees.

They now feel unable to maintain the areas around the trees but 2 volunteers have come forward and Alison Heath of 'Fairfield' will look after the one in 'Waterloo' lane at the bottom of 'The Thorn' and Ros Preece the one near to the Bus Shelter. We are very grateful to these 2 ladies.

Talking of the Bus Shelter, a photograph of the Wormelow cricket team from 50 years ago appeared in the Hereford Times recently, which featured the late Dennis Hands of King's Thorn. It was Dennis who designed and did the drawings for the bus shelter built by local volunteers in the mid-60s and has sheltered passengers ever since. The Herefordshire Council had wanted to replace the present shelter, which was paid for by local donations, with a modern plastic shelter but this idea has been shelved following objections.

Nick Eaton of King's Thorn featured this week in the Hereford Times in their 'One in Eight' appeal for the Haven Breast Cancer. Nick who attends Monmouth School, has promised to donate half of his earnings during August and September to this Appeal, which wants to raise £30,000 for a new specialist nurse for the Haven. He currently works part time at the Pilgrim

Hotel so 'Well Done' Nick. Some while ago, Sarah Dean of Barrack Hill gave her backing to this Appeal following the counselling therapy and information given to those who are going through or have finished treatment for Breast Cancer.

A level results have just been announced and we congratulate successful students. We hope they will continue to do well with their further studies in their chosen university subjects including Ruth Johnson (Classical Studies and English, Reading), Josh Williams (Business and Management, Reading) and Matthew Callwood (Business Studies, Swansea). William Callwood will soon begin an apprenticeship at local company KGD.

Several residents have been into the County Hospital recently and Roger Thomas and Colin Swift of King's Thorn ended up in the same small ward, which was good for both of them. We wish all those who have been poorly recently a speedy recovery.

We are sad to record the passing of Doreen Addis of Tump Lane, Much Birch and we send to her family our deepest sympathy. A tribute to her will be given next month.

We are also sad to hear of the death of Mrs. Dorothy Fleetwood at the age of 99 years. She and her late husband, Bill, ran a small shop, 'Inglenook Stores', on the A49 in Much Birch. She had been in care at Field Farm House in Hampton Bishop for many years

WHAT WE DID ON OUR HOLIDAYS 12A

David Tennant, Rosamund Pike and Billy Connolly star in this feature film adaptation of the winning formula behind BBC smash-hit sitcom Outnumbered, centred on separated couple Doug and Abi, and the antics of their precocious, wisecracking three children. On a trip to Scotland to celebrate Doug's father Geordie's 75th birthday, Doug and Abi try to put aside their differences and have an enjoyable weekend. A charming and offbeat comedy with a wide family-friendly appeal, able to connect with audience members as age-diverse as its characters.

Ward Councillor

In July readers were asked if regular reports from the Birch ward councillor, David Harlow, should be included in this Newsletter. Six replies were received. Two were in favour, four against. Three were strongly against. It has therefore been decided that the reports will not be included in future editions. The reports can be obtained by contacting David by email on David.Harlow@herefordshire.gov.uk. They will also be posted on the Little Birch parish council website littlebirchparishcouncil.org. Parishioners will also be able to meet and talk to David at Much Birch and Little Birch parish council meetings that he is expected to attend from time to time.

HR2 Community Shop

We Need You!

Firstly, we have received the pre-planning report for a community shop at the **Treberva Fruit Farm**. There are a few issues from both Highways England and the Planning Office which need to be addressed.

We need help with some of the planning issues, and would love to hear from you if you have experience and can help in any of the following areas;

- A design and access statement;
- A sequential test of sites considered for the proposed facility;
- Fully detailed elevations if an application is to be made in full (1:100);
- A route analysis showing how pedestrians would access the site from the surrounding settlements including a 24/7 speed survey of the A49 at points where pedestrians would cross;
- Detail of alterations to the existing access and how they would ensure compliance with DMRB, in accordance with Part 7 TD 41/95 including Road Safety Audit and NMU Audit procedures;
- A Transport Statement indicating the proposed trip generation to the site to provide evidence to determine the required access layout arrangement;
- A detailed site layout to show how parking & turning provisions would be made within the site;
- A detailed site access plan showing available visibility splays and access measurements.

Secondly, the Steering committee needs to gauge how much support there is for a shop on this site so please help us to help you!

If you would like to pledge your support or comment, please go to our [facebook page](#), or e-mail hr2communityshop@gmail.com or post to **HR2 Community Shop, C/o Meadow Lodge, Wormelow, Hereford, HR2 8EG**. NB!! Please let us know which village you are in.

Thank you and we look forward to hearing from you!

Older Driver Day In Ross

IAM HEREFORDSHIRE is holding its final 'Safer Driving Refresher Day', specially for older drivers, in Ross-on-Wye on Friday 18 September.

Tina Lawrence, who is a driver training expert, will lead the day with some lively presentations. Herefordshire is a beautiful rural county but driving in both town and country brings its own set of hazards. Topics will include hazard awareness speed observation and how to stay safe on the road. Tina will also be bringing everyone up to date with the latest regulations.

Take advantage of a short assessed drive, in your own car, by a qualified Advanced Driving Observer. The observers act as mentors and will give invaluable help and advice, helping you to become more confident.

This is our final older driver event for 2015 and has been running now for three years – helping older drivers to update their driving knowledge and learn practical skills, and has been adopted nationally by the IAM.

Cost is £20 for the day and places are limited - so book now by calling 01432 840835 or email safer-drivers@iam-herefordshire.org.uk.

Institute of Advanced Motorists - Herefordshire is the safe driving charity affiliated to IAM and runs courses at Much Birch throughout the year for drivers of all ages, who wish to improve their skills and safety on the road.

Rental Fraud: Targeting Empty Properties - Alert

The suspect(s) will find and enter an empty property for the purposes of changing the locks and then advertising it on online platforms, such as Gumtree, as a rental property. The suspect(s) then invite interested victims to visit the property for a viewing. Those victims which are interested in renting the property are then requested to pay a deposit and/or rent upfront in cash.

In some instances the victims have moved into the property only to be evicted by the real property owner, or have found that the locks have been changed, once they have received the keys. There are several instances where this fraud has left victims homeless.

Property Owners:

- If you or someone you know currently has an empty property, encourage them to visit the property regularly to make sure that the locks have not been changed and no damage has occurred.

Prevention Advice:

- Avoid communication with only email or mobile phone, request to see the property owner and ask for valid ID. You can also check ownership of the property using the Land Registry.
- The landlord will carry out their own due diligence and should request all of your details, references and proof that you will be able to afford to rent the property. Make sure that these checks

Shed Security

We have had a number of reports recently of garden sheds being targeted and there are several precautions that you can take to protect your property.

Try to avoid leaving expensive equipment like garden tools, mowers, mountain bikes and power tools in your shed. If you have to then it is worth considering the below.

- * Keep your shed in good condition
- * Fit a closed shackle padlock to the door
- * Fittings should be bolted through the door and any screws concealed
- * Fit grilles or mesh to the windows
- * Invest in an alarm

Make sure:

Large items such as bikes are chained together. It is much more difficult to a thief to carry away a lot

PARISH MEETING – at the Parish Council Meeting held on the 9th July at the Much Birch Community Hall. The Meeting heard about local road and highways issues, including grass cutting, and a formal request was made for the verges etc. to be attended to as soon as possible. There was information about the, then

pending, sale of medals awarded to local heroine, Violette Szabo GC. The founder of the museum in her honour, Miss Rosemary Rigby MBE, had set up a fund to try to raise money to attempt to purchase the medals, and other memorabilia of Violette, for the museum in Tump Lane. The Parish Council agreed to publicise the statement from Miss Rigby regarding the sale of the medals, and the appeal for funds, on the Parish web page to help raise awareness.

HELP PLEASE: The Parish Council is looking for a willing volunteer to help out by storing a stock of **sandbags** for the Parish. Around 50 sandbags would need to be stored, in a dry place, and with access for removal when needed. If you think you can help in this way, please contact the Parish Clerk, or one of the Parish Councillors, and thank you for your consideration of this request.

The next meeting of the Parish Council will be an Ordinary Meeting and this will be held on **Thursday 3rd September 2015 at 7.30pm** - at The Much Birch Community Hall. Please see notice boards and website for agendas. As always the public and press are more than welcome to attend and will have the opportunity to speak directly to their representatives.
