Community Matters

**NEWSLETTER FOR KINGSTHORN, MUCH BIRCH
LITTLE BIRCH, ACONBURY & WORMELOW**

First published 1977 April 2020

General Notice from the Newsletter Team

Sadly we have been advised that all forthcoming events at Little Birch Village Hall have been cancelled until further notice. To the best of our knowledge the same applies to Much Birch Community Hall and other local places where community groups meet.

We will, of course, advise in this Newsletter when the situation changes.

*For all advice on health matters contact Much Birch Surgery by telephone. 01981 540310
If possible, please do not attend in person.*

A message from the Editor

I am sure everyone will understand that events featured in this April edition of the Birches Newsletter may be cancelled—or have already been cancelled.

I can only remove those where I have had definitive instructions to do so.

It is therefore recommended that anyone wishing to participate in those events checks with the organisers before attending.

Those events for which I have received no advice to remove but I believe will most likely not take place I have marked with

As the Coronavirus outbreak worsens and isolation and social distancing measures become more widespread, it is more important than ever that we offer support for all members of our community and in particular those who are in the at-risk groups:

People over 70 years old
Pregnant women
People with underlying health issues

On the last page of this newsletter you will find postcards that you can cut out and post through your neighbours' letterboxes offering support. If you are able to help your neighbours then please ensure that you don't put yourself or others at risk when doing so.

If you would like further copies of these they can be printed from the LB and MB websites

Diary Dates

It was thought wiser not to publish a Diary for this month as forthcoming events may change. A list of forthcoming Church services has been omitted for the same reason.

It is understood that the Pilgrim Hotel remains open but the bar and restaurant are closed. They are, however, providing a take-away service from their usual lunch menu. The Axe and Cleaver may also be providing this service shortly.

Please contact them by telephone for more details

Wormelow Stores remains determinedly open!

Treasure Island 2020

In 2007 Hilary Gould partly wrote, produced and directed Treasure Island a very different version of this year's pantomime of the same name. In introducing her production she proudly announced the birth of her first grandson Ronan. Thirteen years later he played Sea Dog Sam – a nice pirate and made a very good job of the part.

Richard Green (Mrs Hawkins), the pantomime dame caused great amusement with his flirtations with certain gentlemen in the audience. Unfortunately this is not included in the DVD. However, anyone who missed the performance of this very lively and entertaining pantomime can get a copy of the recording from Mike Morley 01981 540510.

Some of the younger members of the drama group were given adult parts this year and were excellent. As usual Bob Chance did a fantastic job with the scenery.

Well done the drama group and special thanks go to Jane Bolam who produced and directed this years version of Treasure Island. We look forward to your next production.

St Michael's Hospice
Always a place of light and love

Virtual Tour of Britain

A year-long exercise challenge taking a group of St Michael's Hospice patients on a virtual tour of Britain has been successfully completed.

The Hospice's Physiotherapy team devised the virtual Tour of Britain which allowed patients to take it in turns using exercise bikes or treadmills to help complete a 7,723-mile journey around the British Isles – all without leaving St Michael's.

Starting and ending in the Cornish town of St Ives – a favourite place for one of those taking part – the journey lasted throughout 2019, ending just before New Year's Eve.

Rose Livesey said: 'I've really enjoyed taking part. You really feel as though you are contributing to a worthwhile cause.'

The exercise helped improve the cardiovascular system and strengthened legs and arms.

History of the Hotel Name

The Hotel takes its name from its position on the Pilgrimage route for St Ethelbert, who was King of East Anglia from circa 779 to his untimely death in 794.

Ethelbert was lured to the Palace of King Offa, just north of Hereford, where he was promised the hand of the King's daughter, Eadburgh, in marriage.

When he arrived at Sutton Walls Palace he was treacherously captured & beheaded with his body thrown into a ditch.

He was eventually reunited with his head by a local monk and laid to rest in a tomb on the site of the current Hereford Cathedral. Miracles were later reported to be connected to his shrine and he was later Canonised.

"Saint Ethelbert" is now one of two patron saints of the Cathedral, which has created the Order of St Ethelbert in his honour

9th March 2020

PARISH MEETING - at the Parish Council Meeting held on the 5th March 2020 at the Much Birch Community Hall.

The Parish Council heard about concerns regarding parking on the yellow lines outside the Much Birch School, and the adjacent nursery. Please could everyone think carefully when dropping off or picking up from the area of the School and try not to put yourself, or others, at risk and keep the yellow lined area clear?

The Parish Council also heard about concerns regarding local flooding and drainage issues. There was a discussion about the responsibility for maintaining ditches and drainage adjacent to a water course and this lies with the riparian landowner.

There was a planning application considered at the meeting, the Parish Council considered comments from the floor and a response to the application was sent in to the Planning Department at Herefordshire Council.

Dates for further 2020 Parish Council Meetings are to be advised. Please check websites and social media as below for further information.
